TROST PRAISES SPALDING SENIORS GROUP

Ottawa – Conservative MP Brad Trost congratulates the Spalding New Horizons Seniors on their success in getting their project application approved for funding under the Government of Canada's New Horizons for Seniors program.

"On behalf of the Honourable Diane Finley, Minister of Human Resources and Social Development, I would like to personally congratulate the Spalding New Horizon Seniors for getting their application approved for \$15,000 in federal funding," said Trost, MP for Saskatoon-Humboldt.

"I think it is great that our seniors in Spalding continue to contribute to their communities after a life time of work to build Saskatchewan up into the province that it is today," Trost added.

The New Horizons for Seniors Program provides grants to support community based projects across Canada. After careful review, grants are distributed by the Government of Canada, which enables senior citizens to participate in social activities, pursue an active lifestyle, and contribute to their communities.
