## **MP Trost praises Humboldt Broncos for winning RBC Cup**

**OTTAWA** –“I would like to take this opportunity to congratulate the players and the entire Broncos organization for capping a successful season with the national championship,” said Brad Trost, MP for Saskatoon-Humboldt.

“Winning the RBC Cup for the second time in five years is a testament to the hard work and dedication of the players, coaches and staff of this great hockey team,” he added.

Like other hockey fans, the Member of Parliament for Saskatoon-Humboldt praised goalie Taylor Nelson’s glove save at the end of the game.

“Making a great save with one second left on the clock sure was a heart-stopper,” Trost added.

The MP also made note of the importance of having a local team as a national champion.

“I think that having a local team win a national championship twice in five years is an accomplishment that hockey players of all ages can appreciate and aspire to as a goal of their own,” Trost noted.

“Congratulations to the best Junior A team in Canada!” concluded MP Trost.
