Morgentaler Doesn't Deserve Order of Canada

Many Canadians see Henry Morgentaler's work as reprehensible

OTTAWA – Brad Trost, MP for Saskatoon-Humboldt, is dismayed that Henry Morgentaler is going to receive the Order of Canada.

"I am strongly opposed to the abortionist Morgentaler getting the Order of Canada," Trost said.

"The Order of Canada should only be awarded to individuals whose service to our country is worthy of national recognition and praise. Henry Morgentaler does not deserve the Order of Canada," Trost stressed.

Morgentaler's so-called record of accomplishments is seen as reprehensible by many Canadians, he noted.

Giving Henry Morgentaler the Order of Canada diminishes the value of the award for future recipients, Trost said with regret.

MP Trost encourages his constituents to call the Governor General and the Prime Minister to voice their opposition to an abortionist receiving the Order of Canada.
